

**26.08.2022 This catechesis was dictated by the Spirit of Truth of the third millennium**

**Catechesis: Today III millennium, is taking place the communion of ideas in contrast with the word of God. The word of God does not change and will never change, the word of religions, of the human, of the universe, has its times of evolution, to evolve means to experience good and evil at the same time and to allow God the last word, peace, peace, peace (Medjugorje the Queen of Peace).**

Here God sends you the Queen of Peace, the One who accepts God's will by faith, here you must accept the word of God by faith, trusting God... when everything goes wrong.

This is the true faith that God wants in all times, God sends to you the Spirit of Truth in full, in this millennium of yours, as Jesus was not accepted ... mocked, mistreated, insulted, condemned, so even the Spirit of Truth is mistreated ... as long as God permits that.

**Why does God allow it?** To bring generation and creation back to review their mistakes, now the mistakes are all under your time, a time of revelry of all religions, say and don't do, do and don't say, here is the contradiction of ideas it has unleashed the derision of the truths, of all the truths, yes of all the truths.

If you stop to contemplate your time, you should laugh and cry at the same time, laugh at the jokes they tell, cry at the troubles they have made.

**What are the troubles that the soul, body and spirit have created in man image of God?** Pride and the presumption of knowledge.

**The spirit prides itself on knowing**, and seeks the elixir of long life, eternity, according to its own selfishness and not to God.

**The soul loves**, I love, but what do you love, wake up soul! Ask God for the discernment of true love ... not the animal instinct with which you are living love.

**And you body, a poor donkey who exploited you** ... realizing in you the idea of eternal death, when you wake up in the last hour and realize that you are not dead, how will we do it? tell me. I cannot punish you because you are eternal... I cannot save you... because I cannot allow your death, and everything ends... this is the truth that the Spirit of Truth wants to give to your time.

**Woe to you who continue to sleep, no, from today 26 August 2022 at 12.00, this message will be public on all telematic and personal sites, throughout the universe in a worldwide form!**

Come, and let's try to agree, if something is wrong we will correct it together, even Jesus said tell me what I did wrong.

### **John 18:19-23 The High Priest Questions Jesus**

*19 Meanwhile, the high priest questioned Jesus about his disciples and his teaching. 20 "I have spoken openly to the world," Jesus replied. "I always taught in synagogues or at the temple, where all the Jews come together. I said nothing in secret. 21 Why question me? Ask those who heard me. Surely they know what I said." 22 When Jesus said this, one of the officials nearby slapped him in the face. "Is this the way you answer the high priest?" he demanded. 23 "If I said something wrong," Jesus replied, "testify as to what is wrong. But if I spoke the truth, why did you strike me?"*

Behold, I the Spirit of Truth in communion with Fausto and Maria, we invite you to correct us for the sake of the whole truth.

**Dearest Excellency Don Franco, do you want to stop being silent, see what you have to do and also all of you priests who have helped and prevented Don Franco from helping Fausto and Maria.**

The holidays are over, September is upon us, the pandemic has now become homie, diseases are increasing, the war continues in families, in politics and in the universe, wake up you who are sleeping! There is no more time to sleep, I could not stop all these realities that you are experiencing, because you did not allow me to.

God is dead ... God is not there ... God is there, and he is not dead and I am showing it to you, I will continue to speak, I will continue to educate you, I will continue to shake you, so ... I will still love you despite everything.

The Spirit of Truth in communion with the wiliness of Fausto and Maria, who believe in this truth ... that God has allowed them to transmit, yes, I will not stop, even if Fausto and Maria die in the biological body, they will torment you like Padre Pio after his death, "*I will make more noise dead than alive*". Yes, they will make more noise dead than alive, so pray they don't die.

To those who believed and witnessed the Spirit of Truth, do not be afraid to torment the priests with your testimonies of life and conversion, the apostles did not stop despite fear, this is why you can have today the writings of the New Testament, the gospels of Christ... it is you who will write the gospels of the Spirit of Truth.

I see you and I forgive you if you are afraid, but you will not be afraid, as the Spirit of Truth that dwells in you, will no longer allow you to be afraid and you will speak and witness until death, death on the cross, as St. Paul and St. Peter.

*This having been said, he arrived at the place of his suffering. There, turned toward the East, with his hands stretched out toward heaven, he prayed at great length with tears in Hebrew, and gave thanks to God. And when he had finished his prayer in his ancestral language, bidding farewell to the brethren he blessed them, and binding his eyes with Plautilla's veil he planted both knees on the ground and extended his neck. The executioner, lifting up his arm on high, struck with force and cut off his head. After it had been cut off from his body, it cried aloud the name of Jesus Christ in Hebrew with a clear voice; and immediately a stream of milk spurted out from his body onto the clothing of the soldier, and afterwards blood flowed out. When some people were wanting to seize the garment with which he had bound his eyes, [p. 41] it was not to be seen. Furthermore, such an immense light and such a pleasant aroma flashed forth from heaven there at the moment of his decapitation, that the eyes of mortals could*

*not endure that splendor; the human tongue could not tell of the aroma. All those who were present, however, seeing the grace of God in the blessed Apostle, marveled greatly, praising and extolling[16] until very late the Lord Jesus Christ, the eternal and unconquered king, whom the magnificent teacher and instructor of the nations had proclaimed.*

*Paul came around the ninth hour, although the doors were shut, and stood before Caesar and said: "Caesar, look: Here I am—Paul, soldier of the eternal and unconquered king; now indeed, you should believe that I am not dead, but that I live for my God. But for you, you wretch, unspeakable evils and very great punishment are impending, after not much time, and eternal destruction, because among your other horrible, disgraceful acts you have unjustly shed much blood of the just." And saying this, he suddenly disappeared. Indeed, Nero, on hearing this, was stricken with indescribable fear [p. 43] and went more or less out of his senses; he did not know what he could have done. But persuaded by his friends, he ordered Patroclus and Barnabas and those who had been shackled with them to be freed and to go wherever they wished.*

*Finally, Longinus, Megistus and Acestus, just as Paul had instructed, came at first light to his tomb, and saw two men praying—and standing in their midst, Paul. Terrified by this marvellous sight, they trembled and were afraid to approach any nearer. Titus and Luke, however, returning to themselves from the ecstasy of prayer, saw the prefects and the centurion who had been attendants at the slaughter of Paul hurrying toward them; seized with human fear, they turned to run away—and Paul vanished from their sight. But the others shouted after them, saying: "Blessed men of God, we have not come, as you imagine, to pursue you and kill you, but so that you may transport us as believers to eternal life through the water of baptism, just as the true teacher Paul promised us—he whom just now we perceived standing and praying in your midst." [p. 44] And indeed, Titus and Luke, when they heard this, stood still with great gladness and spiritual joy; then they laid their hands on them and gave them the mark of everlasting sanctification, and thus, after a fast lasting until evening, they were baptized in the name of our Lord Jesus Christ, to whom with the Father in the unity of the Holy Spirit belong honor and glory, power and authority forever and ever. Amen.*

### **Crucifixion of St. Peter 11/09/2020 by Don Stefano Tarocchi**

*Regarding his martyrdom, some scholars think of the time of Nero's persecution, around 64 or 65 AD, but there are those who go as far as 67. Tertullian (155-230), following the words of the Gospel of John-ni says who was crucified: "Peter was bound by another when he was secured to the cross", and the Apocryphal Acts of Peter (apocryphal of the second half of the second century), as well as Eusebius of Caesarea (265-340), add- no that he was crucified upside down: "when he arrived in Rome he was crucified there with his head down, since he himself asked to undergo such martyrdom". Even if the exact year of death is not known, it is difficult to think that the Roman community of the time did not preserve the memory of the place of martyrdom and also of the burial.*

Peter and Paul, after the first moment of fear, gave their life. Fausto and Maria have never been afraid, because even before they came into the world, in the biological womb ...**Hand by hand, kneeling before the Father, they accepted this mission**, and despite the suffering, the mockery, the misunderstanding ... hand by hand, biologically, they continued to say their yes, out of faith, not out of interest and not out of vainglory , but the glory of God has descended on both of them and protects them now and always.

**Dear Don Franco, I am waiting for your reply, do not continue to be silent, it is not convenient for you, you must act and not be afraid, you are a Bishop, so, you can also decide to have Fausto and Maria crucified, I forgive you, but silence no, it's not acceptable. If you are silent, I will make the stones speak.**

**Luke 19:39-40**

*39 Some of the Pharisees in the crowd said to Jesus, "Teacher, rebuke your disciples!" 40 "I tell you," he replied, "if they keep quiet, the stones will cry out."*

The discarded stone has become the corner head.

**Mt 21,42**

*42 Jesus said to them, "Have you never read in the Scriptures: "'The stone the builders rejected has become the cornerstone; the Lord has done this, and it is marvelous in our eyes'[h]?"*

*43 "Therefore I tell you that the kingdom of God will be taken away from you and given to a people who will produce its fruit. 44 Anyone who falls on this stone will be broken to pieces; anyone on whom it falls will be crushed." [i]45 When the chief priests and the Pharisees heard Jesus' parables, they knew he was talking about them. 46 They looked for a way to arrest him, but they were afraid of the crowd because the people held that he was a prophet.*

To all of you who read this message, move at least out of curiosity, to know the events.

*The Holy Trinity Father, Son, Holy Spirit  
and the Mother of the SS. Trinity protect you,  
the Mother of God and our Mother.*
